Reintroducing Our Free Breakfast Club Scheme – September 2026

Dear Parents and Carers,

We are delighted to announce that from the start of the new academic year this September, we will be reintroducing our **Free Breakfast Club** scheme for our pupils.

As some of you may remember, our school initially signed up for the Department for Education (DfE) breakfast club funding pilot. At the time, we unfortunately found the structure of the pilot was not financially viable for our school to sustain long-term.

However, we are acutely aware of the ongoing financial hardships and cost-of-living pressures that many of our families are currently facing. Supporting our school community is our absolute priority. Behind the scenes, we have worked hard to review our budgets and restructure our resources so that we can firmly bring this vital provision back for our children.

Key Information

To help you plan ahead for the new school year, here are the essential details regarding the club:

- **Start Date:** September 2026 (from the first day of term)
- **Cost:** Completely **free of charge** for attending pupils. (8.15am – 8.45am)
- **What's Included:** A healthy, nutritious breakfast to ensure pupils start their learning day focused and energized.
- **Advance booking requirement:** Due to staffing ratios and venue capacity, **places must be booked in advance by the Thursday for the following week.**

How to Sign Up

To secure a place for your child, please complete the registration booking form via **the School Office or website**. We will establish a waiting list once the initial capacity is reached.

We deeply value your continued support. We hope that reintroducing this scheme offers some practical relief to your family budgets and gives our pupils the very best start to their school days.
